HEART OF THE HIGH COUNTRY

MONTHLY NEWSLETTER: FEBRUARY 2019

## 828 REAL ESTATE 2018 REPORT CARD

828 Real Estate opened our doors only 7 months ago. In that short amount of time we have worked hard to meet the needs of our clients. This hard work is evident when reviewing the sales data associated with our firm. According to the High Country Association of Realtors MLS data-base, 828 Real Estate generated over 10 million in residential sales from June to December 2018. Even with a shorten year 828 Real Estate ranked in the top 15% of firms in the High Country.

This particular statistic is impressive considering our firm is compared to firms that have over 60 agents contributing to their sales numbers. Our small team of agents demonstrates that dedication and experience are beneficial in this field. Trust that 828 Real Estate will not only continue to achieve success in 2019 but will continue to provide our clients the respect and attention they deserve.

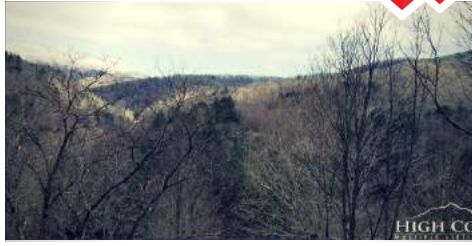

Membership in the Boone Service League is open to all women 21 years of age or older living in the High Country Area including the Watauga, Avery, and Ashe Counties of North Carolina. Established in 1957 as an auxiliary women's organization to the Boone Jaycees, the Boone Service League has grown to be one of the High Country's largest women's service groups. The purpose of the Boone Service League is to provide individual development and leadership experience for women and to promote community service.
