HEART OF THE HIGH COUNTRY

MONTHLY NEWSLETTER: MAY 2019

## A NEW FACE AT 828 REAL ESTATE! EMILY SHACK

Emily has lived in the High Country for 20+ years. Although her whole family lived in Chapel Hill, the majority of them are Appalachian State graduates. So, when it was time to pick a college, she knew Boone was the place for her. She came to the mountains because, "it is an absolutely beautiful place and the people are so down to earth!" That was 1997 and she has lived here ever since. She met my husband Dave at ASU and they married in 2001. They have 3 children and they live on a small farm just outside of Boone. Before becoming a Real Estate Agent, Emily spent years as the co-teacher of the 9-12 class at Mountain Pathways Montessori School. They also are elders at Harvest House Church, where she has taught preschool for the last 20 years.

Emily met Sarah Long in 1997 and they have been friends ever since. Her interest in Real Estate developed when they bought their first home and has grown as they have bought and sold over the years. Sarah has been their Realtor for years and suggested many times that she pursue Real Estate as a career. She is so glad she did. Emily is enjoying introducing others to the place she loves and calls home.
