The Eastside has outpaced Seattle's sales volume for the past seven quarters as more buyers find the Eastside an ideal location to call home. The median sales price of \$529,400 was up 14% from the 1st quarter of 2012. The shortage of homes for sale has created competition among home buyers for the more desirable homes. The average cost per sq ft is \$236 compared with \$203 a year ago.

Strong condominium sales have driven the median sales price up to \$234,000—30% above the median of \$180,000 a year ago. Average condo cost per sq ft is now \$240, up from \$204 in the first quarter of 2012.
