The Developer expressly reserves the right, during the course of construction, to revise, modify or change in whole or in part the Plans and specifications for construction; provided, however, that the Developer shall adhere to the general scheme of development as set forth in the Plans.

Section 3.2. Units. Each Unit Estate shall for all purposes constitute a separate parcel of real property which, subject to the provisions of this Master Deed, may be owned in fee simple and which may be conveyed, transferred, leased and encumbered in the same manner as any other real property. Each Owner, subject to the provisions of the Act and this Master Deed, shall be entitled to the exclusive ownership and possession of his Unit.

Section 3.3. Common Area and Limited Common Area.

(a) **Percentage Interest.** The Owners shall own the Common Area and Limited Common Area as tenants in common, with each Unit having appurtenant thereto the Percentage Interest in the Common Area and Limited Common Area as set forth in Exhibit F attached hereto; provided, however, that the use of the Limited Common Area shall be restricted as set forth in Section 3.3(e). All Owners and lessees of Owners, their families, invitees and guests shall abide by all Rules and Regulations from time to time in effect governing the use of the Limited Common Area.

Section 3.4. Status of Title to the Project. The Developer represents and warrants to the Association and all the Owners that as of the effective date hereof, the Developer has a reasonably safe, marketable title to the Land. In addition, the Developer warrants that it will pay all parties who have provided materials to or rendered services in connection with the construction of the Project in a timely manner and shall indemnify and hold the Association and the Owners harmless from all liens, claims or causes of action of persons who have supplied materials to or rendered services in connection with the construction of the project by Developer.

(3) Limitation of Remedies. Each Owner, in accepting a deed from the Developer or any other party to a Unit, expressly acknowledges and agrees that this Section 3.5(a) establishes the sole liability of the Developer to the Association and the Owners related to defects in the Common Area and/or Limited Common Area and the remedies available with regard thereto. Irrespective of the foregoing, the one (1) year period referred to in this Section 3.5(a) shall not expire until one (1) year has elapsed from the date when Units that represent sixty (60) percent of the votes in the Association have been transferred by the Developer.

THE LIABILITY OF THE DEVELOPER IS EXPRESSLY LIMITED TO SUCH REPAIR OR REPLACEMENT AND THE DEVELOPER SHALL NOT BE LIABLE FOR DAMAGES OF ANY NATURE, WHETHER DIRECT, INDIRECT, SPECIAL OR CONSEQUENTIAL, REGARDLESS OF WHETHER SUCH DAMAGES ARE CLAIMED TO ARISE OUT OF THE LAW OF CONTRACT, TORT OR NEGLIGENCE, OR PURSUANT TO STATUTE OR ADMINISTRATIVE REGULATION.

(3) Limitation of Remedies. Each Owner, in accepting a deed from the Developer or any other party to a Unit, expressly acknowledges and agrees that this Section 3.5(b) establishes the sole liability of the Developer to the Owner related to defects in the Unit and the remedies available with regard thereto.

ARTICLE IV
Assessments

Section 4.1. Creation of Lien and Personal Obligation for Assessments. Each Unit Estate is and shall be subject to a lien and permanent charge in favor of the Association for the Assessments set forth herein. Each Assessment, together with interest thereon and cost of collection thereof as hereinafter provided, shall be a permanent charge and continuing lien upon the Unit Estate against which it relates, and shall also be the joint and several personal obligation of each Owner of such Unit Estate at the time the Assessment comes due and upon such Owner's successor in title if unpaid on the date of the conveyance of such Unit Estate, and each and every Owner by acquiring or holding an interest in any Unit Estate thereby covenants to pay such amount to the Association when the same shall become due.

Section 4.2. Annual Assessments. No later than forty-five (45) days prior to the end of each calendar year, the Board of Directors shall set the "Annual Assessments" by estimating the Common Expenses to be incurred during the immediately succeeding calendar year and shall prorate such Common Expenses among the Owners of the Units in accordance with a formula determined by the Board of Directors from time to time and shall give written notice to each Owner of the Annual Assessment fixed against his Unit for such immediately succeeding calendar year; provided, however, Units in Buildings 1, 2, 3, 4, 6, 7 and 8 shall be assessed initially at \$150.00 per month and Units in Buildings 9 and 10 shall initially be assessed at \$160.00 per month for the calendar year 2007. The Annual Assessments levied by the Association shall be collected as provided in Section 4.4.

The Annual Assessments shall not be used to pay for the following:

- (a) Casualty insurance of individual Owners on their possessions within the Units and liability insurance of such Owners insuring themselves and their families individually, which shall be the sole responsibility of such Owners;
- (b) Telephone, water, sewer, gas or electrical utility charges for each Unit which shall also be the sole responsibility of the Owners of such Units;
- (c) Ad valorem taxes assessed against Units;
- (d) Private mortgage insurance.

It is anticipated that ad valorem taxes and other governmental assessments, if any, upon the Project will be assessed by the taxing authority upon the Unit Estate, and that each assessment will include the assessed value of the Unit and of the undivided interest of the Owner in the Common Area and the Limited Common Area. Any such taxes and governmental assessments upon the Project which are not so assessed shall be included in the Association's budget as a recurring expense and shall be paid by the Association as a Common Expense. Each Owner is responsible for making his own return of taxes and such return shall include such Owner's undivided interest in the Common Area and Limited Common Area as such undivided interest is determined by law for purposes of returning taxes.

Section 4.3. Special Assessments. In addition to the Annual Assessments, the Board of Directors may levy in any calendar year "Special Assessments" for the purpose of supplementing the Annual Assessments if the same are inadequate to pay the Common Expenses and of defraying, in whole or in part, the cost of any reconstruction, repair, or replacement of the Limited Common Area or the Common Area (including the necessary fixtures and personal property related thereto); provided, however, that any such Special Assessments shall have the assent of Owners representing a majority of the Total Percentage Interests, voting in person or by proxy, at a meeting at which a quorum is present, duly called for the express purpose of approving such Assessment. Written notice of such meeting shall be sent to all Owners not less than ten (10) days nor more than thirty (30) days in advance of the meeting, which notice shall set forth the purpose of the meeting. The period of the Special Assessments and manner of payment shall be determined by the Board.

Section 4.4. Date of Commencement of Annual Assessments; Due Dates. Although the Annual Assessment is calculated on a calendar year basis, each Owner of a Unit shall be obligated to pay to the Association or its designated agent such Assessment in equal quarterly installments on or before the first day of each quarter during such calendar year.

The obligations of Owners regarding the payment of quarterly portions of the Annual Assessments provided for in this Article IV shall as to each Unit commence upon the date of Closing, if such date is different from the beginning of a calendar quarter with the quarterly installment being prorated as of the date of closing (such date shall become the "commencement date"). The first quarterly payment of the Annual Assessment for each such Unit shall be an amount equal to the quarterly payment for the fiscal year in progress on such commencement date, divided by the number of days in the quarter of conveyance, and multiplied by the number of days then remaining in such quarter.

The Association shall, upon demand at any time, furnish to any Owner liable for any such Assessment a certificate in writing signed by an Officer of the Association, setting forth whether the same has been paid. A reasonable charge, as determined by the Board, may be made for the issuance of such certificate. Such certificate shall be conclusive evidence of payment of any Assessment stated to have been paid as to any person or entity who has relied on the certificate to his detriment.

Section 4.5. Effect of Non-Payment of Assessment; personal Obligation of the Owner; the Lien; Remedies of Association.

(a) If an Assessment is not paid on the date when due, as hereinabove provided, then such Assessment together with such late charges and interest thereon and any cost of collection thereof as hereafter provided, shall be a charge and continuing lien on the Unit Estate to which it relates, and shall bind such property in the hands of the Owner, his heirs, legal representatives, successors, and assigns. The personal obligation of the Owner to pay such Assessment, however, shall remain his personal obligation. Furthermore, such prior Owner and his successor in title shall be jointly and severally liable with respect thereto, notwithstanding any agreement between such prior Owner and his successor in title.

(b) In the event any Assessment is not received within ten (10) days of the due date thereof, a late charge in the form of a service fee to be set by the Board of Directors shall be added to the Assessment and shall be due and payable on demand. In addition, in the event any Assessment is not received within thirty (30) days of the due date thereof, interest at the rate of eighteen per cent (18%) per annum (not to exceed the highest lawful rate) shall be added to the Assessment and shall be due and payable on demand. Interest will continue to accrue until the Assessment is paid in full.

(c) The Association may bring legal action against the Owner personally obligated to pay the same or foreclose its lien against the Unit Estate to which it relates or pursue both such courses at the same time or successively. In any event, the Association shall be entitled also to recover reasonable attorney's fees actually incurred and all other costs of collection. Each Owner, by his acceptance of a deed or other conveyance to a Unit, vests in the Association or its agent the right and power to bring all actions against him personally for the collection of such charges as a debt and to foreclose the aforesaid lien in any appropriate proceeding at law or in equity. The Association shall have the power to bid on the Unit at any foreclosure sale and to acquire, hold, lease, mortgage and convey the same. No Owner may be relieved from liability from the Assessment provided for herein by abandonment of his Unit or otherwise.

(d) During any period in which an Owner shall be in default in the payment of any Annual or Special Assessment levied by the Association, the voting rights of the Owner and the rights of the Owner and lessees of the Owner, their families, invitees and guests, to use and enjoy the Common Area, except for ingress and egress to the Owner's Unit, may be suspended by the Board of Directors until such time as the Assessment has been paid.

Section 4.6. Subordination of the Charges and Liens to Mortgages.

(a) The lien and permanent charge for the Assessments (together with late charges, interest, fees and costs of collection) authorized herein with respect to any Unit is hereby made subordinate to the lien of any mortgagee or his assigns placed on such Unit Estate if, but only if, all such Assessments with respect to such Unit Estate having a due date on or prior to the date such mortgage is filed for record have been paid. The lien and

permanent charge hereby subordinated is only such lien and charge as relates to Assessments authorized hereunder having a due date subsequent to the date such mortgage is filed for record and prior to the satisfaction, cancellation or foreclosure of such mortgage.

(b) Such subordination is merely a subordination and shall not relieve the Owner of the mortgaged Unit Estate of his personal obligation to pay all Assessments coming due at a time when he is the Owner; shall not relieve such Unit Estate from the lien and permanent charge provided for herein (except as to the extent the subordinated lien and permanent charge is extinguished against a mortgagee or such mortgagee's assignee or transferee by foreclosure); and no sale or transfer of such Unit Estate to the mortgagee or to any other person pursuant to a foreclosure sale shall relieve any previous Owner from liability for any Assessment coming due before such sale or transfer.

Section 4.7 Reserves The Board of Directors shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of the Common Area and Limited Common Area. The Board of Directors shall include amounts needed to maintain an adequate reserve fund in its estimation of the Common Expenses for each fiscal year and shall cause deposits to the reserve fund to be made in connection with the collection of the Annual Assessment.

ARTICLE V

Insurance and Casualty Losses

Section 5.1 Hazard Insurance

(a) The Association shall obtain, maintain and pay the premiums, as a Common Expense, upon a "master" or "blanket" type policy or policies of property insurance covering the entire Project, except (i) land, foundation, excavation, or other items normally excluded from coverage; (ii) all improvements and betterments made to Units by Owners at their expense; and (iii) personal property of Owners and lessees of Owners, their families, invitees and guests. Such coverage shall also insure supplies, equipment and other personal property of the Association and fixtures, equipment and other personal property inside Units which are transferred as a part of the Unit. All policies of property insurance shall be single entity condominium insurance coverage. The master insurance policy shall afford, at a minimum, protection against loss or damage by fire and other perils normally covered by standard extended coverage endorsements; and all other perils which are customarily covered with respect to condominium projects similar in construction, location and use, including all perils normally covered by a standard "all risk" endorsement, where such is available. The policy shall be in an amount equal to 100 per cent of the current replacement cost of the Project, exclusive of land, foundations, excavation, and other items normally excluded from coverage; and "agreed value" and "inflation guard" endorsements shall also be obtained, if available. A "deductible amount" not to exceed amounts permitted in applicable provisions of the Federal National Mortgage Association Lending Guide may be included at the discretion of the Board of Directors if a material savings in premium cost results therefrom, but the deductible amount shall be considered a Common Expense and borne by the Association regardless of the number of Owners directly affected by the loss.

(b) The Board of Directors shall cause to be conducted an annual insurance review for the purpose of determining the full insurable value of the entire Project, including all buildings, Units, Limited Common Areas and the Common Areas without respect to the depreciation of improvements on the Land (with the exception of improvements and betterments by the respective Owners at their expense) by one or more qualified

persons. The information obtained from this review shall be utilized in connection with satisfaction of the insurance required hereof.

(c) The name of the insured under the master policy shall be substantially as follows: Crawford Falls Owners Association, Inc. for the use and benefit of the Individual Owners of Units in "Crawford Falls Horizontal Property Regime." Loss payable provisions shall be in favor of the Association and the Trustee, as a trustee for each Owner, and each such Owner's mortgagee as the interests of such parties may appear. Each Owner and his respective mortgagee, if any, shall be beneficiaries of the policy in a percentage equal to the Percentage Interest attributable to the Unit owned by such Owner. All policies shall contain a standard mortgagee clause, or equivalent endorsement (without contribution), which is commonly accepted by private Institutional mortgage investors in Pickens County, South Carolina, and which appropriately names all mortgagees or their servicers in such form as requested by such mortgagees or their servicers.

(d) All policies shall be written with a company licensed to do business in the state of South Carolina, holding a general policyholder rating of "A" or better by Bests Insurance Reports and in a financial category of Class VI or better in Bests Key Rating Guide. Policies are unacceptable where (i) under the terms of the insurance carrier's charter, bylaws or policy, contributions or assessments may be made against the Association, Owners, mortgagees or the designees of mortgagees; (ii) by the terms of the carrier's charter, bylaws or policy, loss payments are contingent upon action by the carrier's Board of Directors, policy holders or members; or (iii) the policy includes any limiting clause (other than insurance conditions) which could prevent mortgagees or Owners from collecting insurance proceeds. Policies may not be cancelable or substantially modified without at least thirty (30) days prior written notice to the Association and each mortgagee which is listed as a scheduled holder of a first mortgage in the insurance policy. Policies also shall contain a "special condominium endorsement" or its equivalent which provides for the following: recognition of any insurance trust agreement; a waiver of the rights of subrogation against Owners individually the insurance is not prejudiced by any act or omission or negligence of individual Owners which is not in the control of such Owners collectively; and the policy is primary in the event the Owner has other insurance covering the same loss.

(e) The Association shall provide copies of all policies to Owners and/or mortgagees requesting the same for a charge not to exceed reasonable copying costs. In addition, the Association shall cause to be provided evidence of insurance forms which provide the following: a minimum of thirty (30) days notice to each Mortgagee which is listed as a scheduled holder of a first mortgage in the insurance policy prior to cancellation, non-renewal or any change adverse, to the interests of the mortgagee; the amount of types of coverage afforded; indicate by descriptive name any special endorsements made a part of the master policy; and be executed by an authorized company representative.

(f) Each Owner may obtain additional insurance at his own expense; provided, however, that no Owner shall be entitled to exercise his right to maintain insurance coverage in such a way as to decrease the amount which the Association, on behalf of all the Owners and their mortgagees, may realize under any insurance policy which the Association may have in force on the Project at any particular time. Any Owner who obtains an individual insurance policy covering any portion of the Project, other than the personal property belonging to such Owner, shall file a copy of such policy with the Association within thirty (30) days after purchasing such insurance. Each Owner at his own expense may obtain on his Unit or the contents thereof, title insurance, homeowner's liability insurance, theft and other insurance covering improvements, betterments and personal property damaged and lost. Each Owner shall be required to notify the Association of all improvements made by such Owner to his Unit, the value of which exceeds \$1,000.00.

Section 5.2. Flood Insurance. If any part of the improvements located in the Project is in a special flood hazard area, the Association shall obtain, maintain and pay the premiums, as a Common Expense, upon a "master" or "blanket" type policy of flood insurance made available under the National Flood Insurance Program covering the Project for so much thereof as may be covered under the available policies of insurance. Coverage of such policy shall not be less than the lesser of (i) the maximum coverage available under the National Flood Insurance Program for all buildings and other insurable property; or (ii) 100 per cent of the current "replacement cost" of all such buildings and other insurable property. Such policy shall be in a form which meets the criteria set forth in the most current guidelines on the subject issued by the Federal Insurance Administrator.

Section 5.3. Liability Insurance. The Association shall obtain, maintain and pay the premiums, as a Common Expense, upon a policy of comprehensive general liability insurance coverage covering at a minimum all of the Common Area and Limited Common Area. Coverage limits shall be in amounts generally required by private Institutional mortgage investors for projects similar in construction, location and use to the Project; provided, however, that such coverage shall be for at least \$1,000,000.00 for bodily injury, including death of persons and property damage arising out of a single occurrence. Coverage under this policy shall include, without limitation, legal liability to the insured for property damage, bodily injury and death of persons in connection with the operation, maintenance and use of the Common Area, and legal liability arising out of Worker's Compensation laws. All mortgagees, upon written request, may be listed as scheduled holders of first mortgages in the insurance policy. Such policy must provide that it is not cancelable or substantially modifiable, by any party, without at least ten (10) days prior written notice to the Association and each party listed as a scheduled holder of a mortgage in the insurance policy.

Section 5.4. Fidelity Bonds. The Association shall obtain, maintain and pay the premiums, as a Common Expense, upon a blanket fidelity bond for all officers, directors, trustees and employees of the Association and all other persons handling or responsible for funds belonging to or administered by the Association; provided, however, that the professional management company assisting with the administration of the Regime shall be responsible to provide its own blanket fidelity bond which meets the requirements of this Section 5.4. The total amount of the fidelity bond coverage required shall be based upon the best business judgment of the Board of Directors and shall not be less than the estimated maximum funds, including reserve funds, in the custody of the Association or the professional management company, as the case may be, at any given time during the term of each bond, provided, however, that in no event shall the aggregate amount of such bonds be less than the sum equal to 3/12ths of the Annual Assessment plus reserve funds. Fidelity bonds shall meet the following requirements: the Association shall be named as an obligee; the bonds shall contain waivers of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees" or similar terms or expression; and the bond shall provide that it may not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least ten (10) days prior written notice to the Association and all mortgagees who have requested notice of any cancellation or substantial modification of the bond, and each servicer that services a Federal National Mortgage Association owned mortgage in the Project.

Section 5.5. Authority to Adjust Loss. The exclusive authority to negotiate, settle and otherwise deal in all respects with Insurers and adjust all losses under policies provided for herein shall be vested in the Board of Directors or its duly authorized agent for the benefit of all Owners and mortgagees; provided, however, that all Owners and mortgagees having an interest in such loss shall be advised in advance of all actions anticipated to be taken of a material nature related to the adjustment of the loss. Each Owner, in accepting a deed to a Unit, expressly appoints the directors, and each of them, his due and lawful attorneys-in-fact, with full power

of substitution, to act on behalf of the Owner as fully as the Owner could act in person on all matters related to the authority granted in this Section 5.5., including executing all documents required in connection therewith on behalf of the Owner.

Section 5.6 Trustee.

(a) The Board of Directors shall from time to time designate a Trustee who shall serve the Association and the Owners and their mortgagees (as their interests may appear) as provided herein. The Trustee shall be entitled to receive reasonable compensation for services rendered which shall be a Common Expense of the Association.

(b) All insurance policies obtained by the Association shall be deposited with the Trustee. The insurance policies shall name the Association and the Trustee as loss payees. Immediately upon the Receipt by the Association of any insurance proceeds, the Association shall endorse the instrument by means of which such proceeds are paid and deliver the instrument to the Trustee. The Trustee shall not be liable for payment of premiums, for the renewal or the sufficiency of the policies or for the failure to collect any insurance proceeds. Nor shall the Trustee have any obligation to inspect the Project to determine whether a loss has been sustained or to file any claim or claims against any insurer or any other person.

(c) Among other things, the duties of the Trustee shall be to receive proceeds delivered to it, hold such proceeds in trust for the benefit of the Owners and their mortgagees, and disburse the proceeds as hereinafter provided.

(d) Proceeds of insurance policies received by the Trustee shall be disbursed as follows:

(i) If the damage or destruction for which the proceeds are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purposes, shall be disbursed in payment for such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs shall be paid to the Association for the benefit of all Owners and their mortgagees, if any.

(ii) If it is determined, as provided in Section 5.7, that the damage or destruction for which the proceeds are paid shall not be repaired or reconstructed, such proceeds shall be disbursed to such persons as therein provided.

(iii) Any and all disbursements of funds by the Trustee for any purpose whatsoever shall be made pursuant to and in accordance with a certificate of the Association signed by the President and attested by the Secretary directing the Trustee to make the disbursements.

(iv) If the damage or destruction is to the Common Area and/or to the Limited Common Area, and is to be repaired or reconstructed, said certificate shall also be signed by or on behalf of the mortgagee known by the Trustee from the records of the Association to have the largest interest in or lien upon such Common Area and/or Limited Common Area. If the damage or destruction is to one or more Units and is to be repaired or reconstructed, said certificate shall also be signed by the mortgagee or mortgagees having an interest in or lien upon such Unit or Units: provided, however, that all mortgagees requested to sign certificates shall be obligated to execute the same so long as repair or reconstruction or rebuilding is progressing in a reasonable manner. The Trustee shall not incur liability to any Owner, mortgagee or other

person for any disbursements made by it pursuant to and in accordance with any such certificates or written authorizations.

Section 5.7 Damage and Destruction.

(a) Immediately after all or any part of the Project covered by Insurance is damaged or destroyed by fire or other casualty, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such Insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section 5.7., means repairing or restoring the damaged property to substantially the same condition in which it existed immediately prior to the fire or other casualty, with each Unit, the Common Area and the Limited Common Area having the same vertical and horizontal boundaries as before.

(b) Any such damage or destruction to the Project shall be repaired unless at least eighty (80%) percent of the Owners agree in writing not to repair, reconstruct or rebuild in accordance with the provisions of the Act. If not reconstructed, the indemnity shall be delivered in accordance with the provisions of Paragraph (c) of this Section 5.7 Except as otherwise provided, any such damage or destruction which renders any Unit untenable or uninhabitable, or any such damage or destruction to the Common Area or Limited Common Area, shall be repaired and reconstructed as promptly as practicable. No mortgagee shall have any right to participate in the determination as to whether the damage or destruction shall be repaired, reconstructed or rebuilt.

(c) In the event that it is determined by the Association in the manner prescribed above that the damage or destruction shall not be repaired, reconstructed or rebuilt, then and in that event:

(i) The Project shall be deemed to be owned by the Owners as tenants in common.

(ii) The undivided interest in the Project of each Owner shall be a percentage equal to the Percentage Interest appurtenant to the Unit theretofore owned by the Owner.

(iii) All liens affecting any of the Units shall be deemed to be transferred in accordance with the existing priorities to the undivided interest of the Owners of the respective Units.

(iv) The Project shall be subject to an action for partition at the instance of any Owner, in which event the net proceeds of the sale shall be deposited with the Trustee.

(v) The Association shall proceed to satisfy all of its liabilities and convert all of its assets to cash which shall be deposited with the Trustee.

(vi) The proceeds from the sale of the Project, the liquidation of the assets of the Association and the insurance proceeds related to the damage or destruction to the Project shall be considered one fund which, after paying the reasonable expenses of the Trustee, shall be distributed to all the Owners and their respective mortgagees as their interests may appear in percentages equal to the respective undivided interest in the Project of said Owners. Distributions to such Owners and their mortgagees shall be made pursuant to certificates provided for in Section 5.6.

Section 5.8 Insufficient Proceeds to Repair.

(a) If the damage or destruction for which the insurance proceeds are paid to the Trustee is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall levy a Special Assessment against the Owners of damaged or affected Units in sufficient amounts to provide funds to pay such excess costs of repair or reconstruction. Additional Special Assessments may be made at any time during or following the completion of my repair or reconstruction. That portion of such Assessments levied against each Owner shall be equal to that percentage computed by dividing the Percentage Interest appurtenant to such Owner's Unit by the aggregate Percentage Interests appurtenant to all Units damaged or affected.

(b) Any and all sums paid to the Association under and by virtue of those Special Assessments provided for in Paragraph (a) of this Section shall be deposited by the Association with the Trustee. Such proceeds from insurance and Assessments, if any, received by the Trustee shall be disbursed as provided in Section 5.6.

ARTICLE VI
Condemnation

Section 6.1. General. Whenever all or any part of the Project shall be taken by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to notice thereof; provided, however, that the exclusive right to negotiate, settle and otherwise deal in all respects with the condemning authority as to the taking of the Common Area and Limited Common Area shall be vested in the Board of Directors or its duly authorized agent on behalf of the Association. Each Owner, in accepting a deed to a Unit, expressly appoints the directors, and each of them, his due and lawful attorneys-in-fact, with full power of substitution, to act on behalf of the Owner as fully as the Owner could act in person in all matters related to the authority granted in this Section 6.1., including executing all documents required in connection therewith on behalf of the Owner. The award made for such taking shall be payable to the Trustee. Unless otherwise required by law at the time of such taking, any award made therefor shall be disbursed by the Trustee, as hereinafter provided in this Article VI.

Section 6.2. Non Essential Areas. If the taking does not include any portion of any Unit or any portion of the Common Area or Limited Common Area essential to the continued occupancy of any Unit, then the Board of Directors shall be permitted to replace any non-essential improvements to the extent deemed appropriate and the Trustee shall disburse the proceeds of such awards in the same manner as hereinabove provided for and in connection with the repair, reconstruction or rebuilding of improvements after damage or destruction, with all excess proceeds to be distributed to the Association.

Section 6.3. Essential Areas. If the taking includes any portion of a Unit, or the Common Area or Limited Common Area essential to the use of any Unit, then the award shall be disbursed, and all related matters, including, without limitation, alteration of the Percentage Interests appurtenant to each Unit, shall be handled by the Board of Directors in a just and equitable manner to all Owners; provided, however, that all action of the Board of Directors shall be pursuant to and in accordance with a plan approved by Owners representing at least sixty-seven (67%) per cent of the Total Percentage Interests in a duly recorded amendment to this Master Deed. In the event that such an amendment shall not be recorded within 90 days after the taking, then such taking shall be deemed to be and shall be treated as damage or destruction which shall not be repaired or

reconstructed as provided for in Section 5.7., whereupon the Regime shall be deemed terminated in the manner therein prescribed.

ARTICLE VII
Architectural Control

Section 7.1. Approval Required for Changes. To preserve the original architectural appearance of the Project, after the purchase of a Unit from the Developer, its successors or assigns, no exterior construction (except such construction performed by the Developer) of any nature whatsoever, except as specified in the Regime Documents, shall be commenced or maintained upon any building, including without limitation, the Limited Common Area, nor shall there be any change, modification or alteration (except such changes, modifications or alterations performed by the Developer) of any nature whatsoever of the design and appearance of any of the exterior surfaces, or facades, nor shall any Owner paint any gate, fence or roof, nor shall any Owner change the design, or color of the exterior lights, nor shall any Owner install, erect or attach to any part of the exterior any addition or change until after the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing as to harmony of exterior design, color and location in relation to the surrounding structures by the Board of Directors.

ARTICLE VIII
Exterior Maintenance

Section 8.1. Responsibility of Association. Except as specifically provided to the contrary herein, the Association shall maintain the Common Area and Limited Common Area in first class condition; and shall repair or replace, at its expense, all parts of the Common Area and Limited Common Area as necessary. The cost of such shall be charged to the Owners as a Common Expense subject to the provisions of Section 8.3.

Section 8.2. Access to Units. The Association shall have the irrevocable right, to be exercised by the Board of Directors or its agent, to have access to each Unit from time to time during reasonable hours as may be necessary for the inspection, maintenance, repair or replacement of any of the Common Area therein or accessible therefrom, or for making emergency repairs therein necessary to prevent damage to the Common Area, Limited Common Area or to other Units.

Section 8.3. Responsibility of Owner. In the event that the Board of Directors should determine that the need for maintenance or repairs by the Association as provided for in this Article VIII is caused through the willful or negligent act of an Owner or the lessee of an Owner, their families, invitees or guests, the cost of which is not covered or paid for by insurance, then the cost, both direct and indirect, of such maintenance or repairs shall be added to and become a part of the Assessment to which such Owner and his Unit are subject. Each Owner shall maintain, repair or replace at his own expense all portions of his Unit which may become in need thereof, including the hot water heater and heating, ventilation and air-conditioning system for such Unit, all bathroom and kitchen fixtures and appliances, light fixtures, interior non-load bearing walls, carpeting, drapes, windows, screens and other items within the Unit. Further, each Owner shall, at his own expense, maintain, repair, and replace, when necessary, that portion of the heating, ventilation and air conditioning system servicing his Unit which is located outside his Unit, the deck and/or patio for such Unit, and all doors and windows for such Unit; and each Owner shall, at his own expense, keep the Limited Common Area to which his Unit has exclusive access and to which he has exclusive use clean and neat. If the Owner does not make those repairs to be made by him within thirty (30) days from the date of receipt of written demand from

the Association, the same may be repaired by the Association and the cost thereof shall be assessed against the Owner and Unit owned by such Owner.

ARTICLE IX
Unit Restriction

Section 9.1. Residential Purposes. All Units shall be, and the same hereby are, restricted exclusively to residential use. No immoral, improper, offensive or unlawful use shall be made of any Unit and no use or condition shall be permitted which is a source of unreasonable noise or interference with the peaceful possession and quiet enjoyment of any other portion of the Project by other Owners or lessees of Owners, their families, invitees and guests. All Units shall be kept in a clean and sanitary condition and no rubbish, refuse or garbage shall be allowed to accumulate. No fire hazard shall be allowed to exist and no use or condition shall be permitted which will increase any rate of insurance related to the Project. In addition, all Owners and lessees of Owners, their families, invitees and guests shall abide by all Rules and Regulations in effect from time to time governing the use of Units.

Section 9.2. Construction and Sale Period. Anything contained herein to the contrary notwithstanding, it shall be permissible for the Developer to maintain, during the period of construction and sale of Units, upon such portion of the Project as the Developer may deem necessary, such facilities as in the sole opinion of the Developer may be reasonably required, convenient or incidental to the construction and sale of Units, including, but without limitation, business offices, storage areas, signs, model units and, sales offices.

Section 9.3. Animals and Pets. No bird, animal or pet shall be kept or harbored in the Project unless the same in each instance be expressly permitted in writing by the Board of Directors. In no event shall dogs or cats be permitted in any of the public portions of the Project unless carried or on a leash. The Owner shall indemnify the Association and the Board of Directors and hold it harmless against any loss or liability of any kind or character whatsoever arising from or growing out of having any animal in the Project.

Section 9.4 Exterior Antennas. No exterior television or radio antennas shall be placed on any portion of the Project without prior written approval of the Board of Directors.

Section 9.5 Leasing of Units. Any Owner shall have the right to lease or rent his Unit. All leases or rental agreements shall be in writing and shall be specifically subject to the Regime Documents. No Unit may be leased or rented for a period of less than thirty (30) days.

ARTICLE X
Easements

Section 10.1. Encroachments. If any portion of the Common Area and/or Limited Common Area encroaches upon any Unit or any Unit encroaches upon any other Unit or upon any portion of the Common Area and/or Limited Common Area as a result of settling or shifting of a building, an easement shall exist for the encroachment and for the maintenance of the same so long as the building stands. If any building, any Unit, any adjoining part of the Common Area and/or Limited Common Area shall be partially or totally destroyed as a result of fire or other casualty or as a result of eminent domain proceedings, and then rebuilt, encroachments of parts of the Common Area and/or Limited Common Area upon any Unit or of any Unit upon any other Unit or upon any portion of the Common Area and/or Limited Common Area due to such rebuilding, shall be

permitted, and valid easements for such encroachments and the maintenance thereof shall exist so long as the subject building shall stand.

Section 10.2. Utilities, etc. There is hereby granted a blanket easement upon, across, over and under all the Project for ingress, egress, installation, replacing, repairing, and maintaining a master television antenna system and all utilities, including, but not limited to, water, gas, sewers, cable television, telephones and electricity, such easements grant to appropriate utility companies the right to erect and maintain the necessary poles and other necessary equipment on the Project and to affix and maintain utility wires, circuits and conduits on, above, across and under the roofs and exterior walls of the Units. In addition, the Board of Directors shall be entitled to grant additional permits, licenses and easements over the Common Area for utilities, roads and other purposes reasonably necessary or useful for the proper maintenance and operation of the Project.

Section 10.3. Other. There is hereby granted to the Association, its directors, officers, agents and employees and to any manager employed by the Association and to all policemen, firemen, ambulance personnel, and all similar emergency personnel, an easement to enter and right of entry upon the Project or any part thereof in the proper performance of their respective duties. Except in the event of emergencies, the rights under this section 10.3 shall be exercised only during reasonable daylight hours, and then, whenever practicable, only after advance notice to the Owner or Owners affected thereby.

Section 10.4. Authority to Grant Easements. The Association has the authority to execute, acknowledge, deliver, and record on behalf of the Unit Owners, easements, rights-of-way, licenses and similar interests affecting the general common elements.

Section 10.5. Reservation of Easements by Developer. Until Developer has completed all of the additional improvements on the Land and the property described in Exhibit J, and transferred the following easements in connection with the sales of all the Units of the Regime or additional improvements on the property described in Exhibit J, the Developer reserves:

- (1) non-exclusive, perpetual easements and rights-of-way in common with others for access, ingress and egress, on foot or by vehicle of any kind, and for all purposes over the common elements; and
- (2) non-exclusive, perpetual easements and rights-of-way for the construction of additional improvements and for the installation, maintenance and use of water, sewer, electrical, drainage, surface water run-off, cable television, telephone lines and other utilities and facilities, on, over and along the common elements; and
- (3) non-exclusive, perpetual easements and rights-of-way to connect with and make use of, and the right, but not the obligation, to maintain, repair and replace, all utility lines, pipes, conduits and facilities in connection therewith located on, over and along the common elements; and
- (4) non-exclusive, perpetual easements and rights-of-way to use the common elements in common with others for the purpose for which they are intended.

In addition, Developer may maintain, during the period of construction and sale of the Units, upon such portion of the Project as the Developer may deem necessary, such facilities as in the sole opinion of the Developer may be reasonably required, convenient or incidental to the construction and sale of Units, including, but without limitation, business offices, storage areas, signs, model units and sales offices.

The foregoing reserved easements shall run with the land, have a terminus on adjoining property of Developer, are appurtenant to adjoining land of Developer, and are essential and necessary to the enjoyment of Developers adjoining property. For the purposes of these reserved easements, adjoining property of Developer is deemed to be the Additional Phases Land described in Exhibit J.

ARTICLE XI

Assigned Value and Unit Vote

Section 11.1. Unit and Property Values. The schedule of Percentage Interests contained in Exhibit F attached hereto shows the assigned value of each Unit as of the date of this Master Deed and the Percentage Interest appurtenant to such Unit for all purposes. The value of the Project is equal to the total value of all Units, which includes the value of the appurtenant Percentage Interests in the Common Area and Limited Common Area.

Section 11.2. Unit Votes. Owners shall be entitled to a vote in the Association and for all other purposes herein equivalent to the Percentage Interest appurtenant to their respective Units.

ARTICLE XII

Rights Related to Mortgagees

Section 12.1. Notice of Action. Upon written request to the Association from any first mortgage holder ("Eligible Mortgage Holder") or any insurer or government guarantor of a first mortgage ("Eligible Insurer/Guarantor"), identifying the name and address of the holder, insurer or guarantor and the Unit Estate number or address, such Eligible Mortgage Holder or Eligible Insurer/Guarantor shall be entitled to timely written notice of:

(a) any condemnation loss or any casualty loss which affects any material portion of the Project or any Unit Estate on which there is a first mortgage held, insured or guaranteed by such Eligible Mortgage Holder or Eligible Insurer/Guarantor, as applicable;

(b) any delinquency in the payment of Assessments or other charges owed by any Owner of a Unit Estate subject to a first mortgage held, insured or guaranteed by such Eligible Holder or Eligible Insurer/Guarantor which remains uncured for a period of sixty (60) days;

(d) any proposed action which would require the consent of a specified percentage of Eligible Mortgage Holders as r specified in section 12.2 hereafter.

Section 12.2. Special Voting Rights of Eligible Mortgage Holders. To the extent permitted by the Act, any action with respect to the Regime, including, but not limited to, amendment of the Regime Documents, restoration or repair of the Project after partial or total condemnation or casualty loss, or termination of the legal status of the Regime under the Act, requiring the vote of the Owners shall also require the consent of the

Eligible Mortgage Holders holding mortgages on Unit Estates which represent at least fifty-one (51%) per cent of the aggregate Percentage Interests of Unit Estates subject to liens of mortgages of Eligible Mortgage Holders; provided, however, that in the case of termination of the legal status of the Regime not made as a result of destruction, damage, or condemnation, the applicable percentage shall be sixty-seven (67%) per cent instead of fifty-one (51%) per cent.

Section 12.3. Failure to Provide Negative Response. For purposes of section 12.2 hereinabove, an Eligible Mortgage Holder who receives a written request to approve action of the Owners in accordance with section 12.2 shall be deemed to have consented to such action unless the Eligible Mortgage Holder provides a negative written response to the Association within 30 days of the date of receipt by the Eligible Mortgage Holder of the written request.

ARTICLE XIII **Expansion of Regime**

Section 13.1. Reservation of Right. The Developer has reserved the right to construct up to 120 additional Units on that certain real property more fully described in Exhibit J attached hereto ("Additional Phases Property"). The proposed Buildings may or may not be similar to the existing Buildings in Phase I of the Regime.

The proposed Units are similar to the floor plans in Building I. Notwithstanding the foregoing, the Developer reserves the right to modify the proposed configuration and make changes in the Additional Phases which permit the following:

- (1) an increase or decrease in the number of Buildings in the Regime;
- (2) an increase or decrease in the number of Units in each Building in the Regime;
- (3) an increase or decrease in the number of bathrooms in each Unit;
- (4) an increase or decrease in the number of bedrooms contained in each Unit;
- (5) a modification of the floor plan types of the Units;
- (6) addition of any Building, together with common elements affording access to and servicing the Building, or any combination of Buildings and common elements affording access to and servicing such Buildings, in any order, or parts of them, in any order;
- (7) an increase or decrease in the general size of Units in any Phase;
- (8) the construction of different types of Units;
- (9) the construction of different types of Buildings using different standard building materials so long as such materials are substantially consistent with the quality of construction of the Phase I Improvements;
- (10) use of the Additional Phases property for purposes other than expansion of the Regime.

The Developer shall be entitled to submit said real property (or any portion thereof) and all improvements constructed thereon to the Regime by filing an amendment to this Master Deed, which shall be executed solely by the Developer and shall include the following particulars:

- (a) A survey of the additional real property to be submitted to the Regime;
- (b) A Site Plan and Floor Plans for all improvements constructed on said real property;
- (c) A description of the portions of said real property and Improvements which constitute Units, Common Area and Limited Common Area;
- (d) An amended Exhibit F to the Master Deed specifying the respective Percentage Interests of the Owners of all Units after giving effect to the expansion of the Regime.

Section 13.2. Conditions Precedent to Filing of Amendment.

The Developer shall have the right to file the Amendment prescribed by Section 13.1 herein only if all of the following conditions precedent have been met:

- (a) The improvements constructed on the real property to be added to the Regime pursuant to this Article XIII shall have been constructed in a manner substantially consistent with the quality of construction of the existing 106 Units, Limited Common Area and Common Area comprising the original Project.
- (b) All improvements constructed on the additional real property shall have been constructed in a good and workmanlike manner and the improvements shall be substantially complete.
- (c) A certificate as to the satisfaction by the Developer of the conditions precedent set forth in Paragraph (b) above shall have been provided to the Association by an engineer or architect.
- (d) All taxes and other assessments relating to the real property to be added to the Regime shall be paid or funds escrowed covering any period prior to submission to the Regime.
- (e) Mechanics lien affidavits or waivers shall be delivered to the Association evidencing that no person who has rendered services or provided materials in regard to the construction of the improvements on the real property to be added to the Regime has any claim which may constitute a lien on any portion of the Project, including the real estate and improvements to be added thereto; or a title insurance policy is provided to the Association insuring over such liens.
- (f) The Developer shall provide with respect to the real property and improvements to be added to the Regime substantially the same warranties that are contained in Section 3.4 and 3.5 (with the one year time period set forth in Section 3.5 (a) to commence upon conveyance of sixty (60%) per cent of the Units being added to the Regime).

Section 13.3. Amendments to Master Deed. In the event Developer, in its sole discretion, elects to proceed to enlarge the Regime by adding Additional Phases in any order, or parts of them, in any order, the Developer shall execute an amendment or amendments to this Master Deed which shall be filed for record in the RMC Office for Pickens County, South Carolina, on or before seven (7) years from the date of the recording of this Master Deed. Failure of the Developer to file for record in the RMC Office for Pickens County, the amendment or amendments prescribed by Section 13.1 hereof on or before seven (7) years from

the date of the recording of this Master Deed, shall constitute an Irrevocable decision on the part of the Developer not to add any additional real property to the Regime and all further rights of the Developer under this Article XIII shall cease and be of no further force or effect.

Section 13.4. Assignability of Rights. The Developer shall be entitled to assign the rights reserved in this Article XIII and all other rights under this Master Deed to any person or entity to whom any portion of the real property more fully described in Exhibit J attached hereto is transferred or mortgaged, including without limitation, Developer's Mortgage.

Section 13.5. Adjustment of Percentage Interests. Anything to the contrary contained in this Master Deed notwithstanding, the Percentage Interest of each Owner for all purposes shall be adjusted upon the filing of the Amendment(s) prescribed by Section 13.1 hereof based upon the specified formula set forth in Exhibit F hereof, with the resulting Percentage Interest of each Owner in the Regime, as expanded, to equal the percentage which with the stated value of his Unit as set forth in Exhibit F bears to the aggregate stated values of the 106 original Units and all additional Units added to the Regime as set forth in Exhibit F.

Section 13.6. Application of Master Deed. Upon the filing of the Amendment(s) prescribed by Section 13.1 hereof, all definitions contained in this Master Deed shall be deemed amended to the extent necessary to cause the additional real property and the improvements described in such Amendment to be treated as fully an integral part of the Regime as if said real property and improvements constituted a portion of the Project as of the effective date hereof.

Section 13.7. Annual Assessments for Additional Units and Working Capital Reserve. The Annual Assessment for the balance of the then current fiscal year with respect to Units added to the Regime pursuant to this Article XIII shall be equal to an amount determined by dividing the current Annual Assessment for the Project by 365 and multiplying the quotient by the number of days remaining in the then current fiscal year. Assessments regarding all of the additional Units shall commence upon the first day of the next quarterly assessment period after the filing of the Amendment prescribed by Section 13.1 hereof and shall be subject to the proration set forth in Section 4.4. Thereafter, all Units shall be assessed as otherwise provided in this Master Deed.

Section 13.8. No Consent of Owner Required. The Developer, its successors and assigns shall have the absolute right expand the regime in accordance with this Article XIII and to file the Amendment(s) prescribed in Section 13.1 hereof without any action or consent on the part of any Owner or mortgage holder; provided, however, that to the extent any action on the part of any Owner is required by any third party to assure the expansion of the Regime as provided in this Article XIII, each Owner, in accepting a deed to a Unit, agrees to undertake such action and/or provide such consents as are reasonably requested, and expressly appoints the Developer his due and lawful attorney-in-fact, with full power of substitution, to execute all documents reasonably required to evidence the requisite action or consent.

ARTICLE XIV **General Provisions**

Section 14.1. Adherence to Provisions of Master Deed, Bylaws and Rules and Regulations. Every Owner who rents his Unit must post inside his Unit a list of the Rules and Regulations of the Association. Any rental agency handling his rentals must further agree to abide by the Rules and Regulations and shall be

responsible for informing and correcting any breaches of the policies by persons renting through its agency. Should a particular agency or person continue not to take corrective action against the renters he has contracted with, or refuse to cooperate with the Association in the enforcement of its Rules and Regulations along with provisions of the Regime Documents, the Association may require the Owner to cease using the services of that particular rental agency. Refusal to do so may result in fines against the Owner in an amount to be determined by the Board of Directors.

Section 14.2. Amendment. Amendments to this Master Deed, except as herein expressly provided to the contrary, shall be proposed by the Board of Directors or by any member of the Association in accordance with the following procedure:

(a) **Notice.** Notice of the subject matter of the proposed amendment or amendments shall be included in the notice of the meeting of the Association at which such proposed amendment or amendments are to be considered;

(b) **Adoption.** The Master Deed may be amended at any time and from time to time at a meeting of the Association called in accordance with the Bylaws and this Master Deed upon the vote of Owners representing at least sixty-seven (67%) per cent of the Total Percentage Interests; provided, however, that if the Association shall vote to amend the Bylaws in any respect, such amendment shall be set forth in an amendment to this Master Deed and shall be valid only when approved by a vote of Owners representing at least sixty-seven (67%) per cent of the Total Percentage Interests:

(c) **Recording.** A copy of each amendment provided for in this Section 14.2 shall be certified by the Board of Directors of the Association as having been duly adopted and shall be effective when recorded.

Section 14.3. Termination. The Regime may be terminated and the Project removed from the provisions of the Act in the following manner:

(a) **Agreement.** All of the Owners may remove the Project from the provisions of the Act by an instrument to that effect, duly recorded;

(b) **Destruction.** In the event it is determined in the manner provided in Section 5.7 that the Project shall not be repaired or reconstructed after casualty, the Regime will be terminated and the Regime Documents revoked. The determination not to repair or reconstruct after casualty shall be evidenced by a certificate of the Association certifying as to the facts effecting the termination, which certificate shall become effective upon being recorded;

(c) **Condemnation.** In the event that any part of a Unit, or the Limited Common Area or Common Area essential to the use of any Unit shall be taken by an authority having the power of eminent domain and the consent of Owners representing at least sixty-seven (67%) per cent of the Total Percentage Interest as provided in Section 6.3 to a plan for continuation of the Regime shall not be expressed in an amendment to this Master Deed duly recorded within ninety (90) days after such taking, the Regime shall be terminated and the Regime Documents revoked. Such taking shall be evidenced by a certificate of the Association certifying as to the facts effecting the termination, which certificate shall become effective upon being recorded.

Section 14.4. Covenants Running With the Land. All provisions of this Master Deed shall be construed to be covenants running with the land, and with every part thereof and interest therein, including, but not limited to every Unit and the appurtenances thereto; and each and every provision of this Master Deed shall bind and inure to the benefit of all Owners and claimants of the Project or any part thereof or interest therein, and their heirs, executors, administrators, successors and assigns.

Section 14.5. Enforcement. Each Owner shall comply strictly with the Bylaws and with the Rules and Regulations of the Association, as either of the same may be lawfully amended from time to time, and with the covenants, conditions and restrictions set forth in this Master Deed and in the deed to his Unit. Failure to comply with any of the same shall be grounds for an action to recover sums due, for damages or injunctive relief, or both, maintainable by the Board of Directors on behalf of the Association or by any aggrieved Owner. In addition, the rights of any Owner or lessee of an Owner, their families, invitees or guests to use and to enjoy the Common Area and Limited Common Area may be suspended by the Board of Directors for continued violation of the Rules and Regulations. Failure by the Association or any Owner to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter.

Section 14.6. Severability. Invalidation of any covenant, condition, restriction or the Rules and Regulations of this provision of this Master Deed, the Bylaws or the Rules and Regulations shall not affect the validity of the remaining portions thereof which shall remain in full force and effect.

Section 14.7. Perpetuities and Restraints on Alienation. If any of the covenants, conditions, restrictions or other provisions of this Master Deed shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provisions shall continue only until 21 years after the death of the last survivor of the now living descendants of George W. Bush, President of the United States, or William Jefferson Clinton, former President of the United States.

Section 14.8. Gender or Grammar. The singular whenever used herein shall be construed to mean the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations or individuals, men or women, shall in all cases be assumed as though in each case fully expressed. In addition, the use of the terms "herein" or "hereof" shall mean this Master Deed and not merely the Article, Section or Paragraph in which such term is utilized.

Section 14.9. Headings. All Article and Section headings are utilized merely for convenience and shall not limit or enlarge the application of the respective Articles or Sections.

Section 14.10. Powers of Attorney. All powers of attorney for which provisions have been made in this Master Deed are special limited powers coupled with an interest and irrevocable.

EXHIBIT F

SCHEDULE OF ASSIGNED VALUES AND PERCENTAGE INTERESTS

The common element interests shown above and elsewhere in this Exhibit F have been rounded off to the nearest .00001% without exceeding 100%. The interest appertaining to any Unit can be determined more precisely by dividing the value of that Unit by the value of all the Units as those values are shown above.

In the event the Developer elects to expand the Regime as provided in Article XIII of the Master Deed, the Developer, in its sole discretion, shall determine and assign valuations to all Units added to the Regime.

The Percentage Interest appurtenant to each Unit of the Regime shall thereafter be established in accordance with the following formula:

$$\frac{V^u}{A} = P^u$$

P^u = Percentage Interest of each Unit.

V^u = Valuation of the respective Unit as set forth in this Exhibit F.

A = Aggregate Valuation of all Units existing in the Regime and added to the Regime as provided in Article XIII of the Master Deed.

2. Article 4.4. shall be amended as follows by inserting the following provision as new paragraph to this subarticle (4):

Notwithstanding the preceding reference to quarterly assessments, the Board of Directors shall have the right in their reasonable discretion to adjust the frequency of installments of Annual Assessments in order to meet the obligations of the Association and the Board of Directors shall provide no less than thirty (30) days notice to the Owners of any change in the installment schedule of Annual Assessments.

3. Article 5.1, subsection (a) shall be deleted, replaced and superseded by the following:

(a) The Association shall obtain, maintain and pay the premiums, as a Common Expense, upon a "master" or "blanket" type policy or policies of property insurance covering the entire Project, expressly excepting, however, the following (i) land, foundation, excavation, or other items normally excluded from coverage and (ii) all improvements and betterments made to the Units by Owners at their expense (including any betterments made by any predecessor in title to a Unit). The insurance coverage shall cover Personal Property inside the Unit Boundaries (as defined herein) excepting however Excluded Property of an Owner, an Owner's lessee, and/or a family member, invitee or guest of an Owner. Such coverage shall also insure supplies, equipment and other personal property of the Association, .

All policies of property insurance shall be single entity condominium insurance coverage. The master insurance policy shall afford, at a minimum, protection against loss or damage by fire and other perils normally covered by standard extended coverage endorsements, and all other perils which are customarily covered with respect to condominium projects similar in construction, location and use, including all perils normally covered by a standard "all risk" endorsement, where such is available. The policy shall be in an amount equal to 100% of the current replacement cost of the Project, exclusive of land, foundations, excavation, and other items normally excluded from coverage and "agreed value" and "inflation guard" endorsements shall also be obtained. If available, a deductible amount not to exceed amounts permitted in applicable provisions of the Federal National Mortgage Association Lending Guide may be included at the discretion of the Board of Directors if a material savings in premium cost results therefrom, but the deductible amount shall be borne by the Owner or Owners directly affected by the loss. Each Owner shall be responsible for that portion of the deductible costs incurred by the Association on a percentage basis of the amount of the loss of the Owner's Personal Property to that of the entire loss suffered at the time of the casualty event. (For example, upon the occurrence of casualty event where the total loss to the structural components of the Unit, the Common Area, Limited Common Area and the Owner's personal property is \$100,000.00, and the loss to the Owner's Personal Property comprises \$20,000.00 of the total loss suffered, the Owner shall be responsible for payment or reimbursement to the Association for 20% of the deductible paid by the Association for such loss). The Owner's responsibility for his proportionate share of the

deductible costs incurred by the Association shall be due and payable in the same manner as those Special Assessments expressly authorized by Article 5.8 herein.

Subject to the terms and conditions of subsections (d) and (f) herein, each Owner shall be responsible for obtaining such amounts of the following types of insurance as he deems necessary or desirable:

1. Hazard insurance on a Unit for the benefit of the Owner;
2. Hazard insurance on the Personal Property and Excluded Property of an Owner within the Owner's Unit and improvements made by an Owner to the Owner's Unit; and
3. Liability insurance covering accidents occurring within the boundaries of the Owner's Unit.

4. The heading of Article VIII of the Master Deed shall be amended to read:

Article VIII: Maintenance

5. Article 8.3 shall be deleted, replaced and superseded by the following:

Section 8.3. Responsibility of an Owner: Every Owner must perform promptly all maintenance and repair work within his Unit which, if omitted, would adversely affect the Regime in its entirety or in a part belonging to other Owners, and is expressly responsible for the damages and liability which his failure to do so may engender. The Owner of a Unit shall be liable and responsible for the maintenance, repair, and replacement, as the case may be, of all air conditioning and heating equipment located within the Unit, hot water heaters, stoves, refrigerators, garbage disposals, dishwashers, fans, or other appliances or equipment, including any fixtures and/or their connections or receptacles required to provide water, light, power, telephone, television, and sewerage and sanitary service to his Unit and which may now or hereafter be situated in his Unit including toilets, lavatories, sinks, tubs, and showers. An Owner shall further be responsible and liable for maintenance, repair, and replacement of any and all window glass, glass doors, wall, ceiling and floor surfaces or coverings, painting, decorating and furnishings, and all other accessories which such Owner may desire to place or maintain in his Unit. Whenever the maintenance, repair, and replacement of any items for which the Owner of a Unit is obligated to maintain, repair, or replace at his own expense is occasioned by any loss or damage which may be covered by any insurance maintained in force by the Association, the proceeds of the insurance received by the Association, or the Trustee herein designated, shall be used for the purpose of making such maintenance, repair, and replacement. Any cost of maintenance, repair, or replacement, by reason of the applicability of any deductibility provision of such insurance which is not paid by the insurance of the Association, shall be paid by such Owner.

If a Unit or any portion thereof is damaged by another Owner's Unit, whether due to the other Owner's failure to maintain his Unit or not, the Association shall be responsible for repairing the damage and fixing the cause of the problem. If the damage was caused by the other Owner's failure to properly maintain his Unit in accordance with the provisions of this Master Deed, the Association shall have the authority to assess a Special Assessment against the negligent Owner, which shall be a lien on said Owner's Unit until paid in full along with all accrued interest, costs, and attorney's fees related to collection in accordance with this Master Deed. If the Unit damage was caused by a problem with the Common Area or Limited Common Area, the Association shall be responsible for the cost of repair.
