

3140 RIDGELINE DRIVE, RESCUE, CA 95672

4 Bedrooms | 3 Bathrooms | 2,932 SqFt | \$ 1,099,000

Refined country charm meets modern comfort on five flat, usable acres in the heart of Rescue, just minutes from Highway 50. This beautifully updated home is the ideal blend of style, warmth, and functionality. At the heart of the home, the remodeled kitchen was designed for gathering — featuring a large granite center island, stainless steel appliances, and seamless flow into the spacious family and dining rooms. Rich engineered hardwood floors bring warmth and character throughout, while expansive windows frame peaceful views of the surrounding landscape — especially from the kitchen, where the scenery becomes part of daily life. The flexible floor plan includes a downstairs bedroom and full bath, ideal for guests, multigenerational living, or a private office. Upstairs, the spacious primary suite offers a beautifully remodeled spa-inspired bath and a boutique-style walk-in closet that elevates the entire suite. Step outside and experience the lifestyle that makes this property truly special. The level acreage offers endless opportunities for horses, a future vineyard, gardens, recreation, or simply room to breathe and enjoy the beauty of country life.
