

2385 Beckett Dr, El Dorado Hills, CA 95762

4 Bedrooms | 3.5 Bathrooms | 3,688 SqFt | \$ 1,099,000

This home is generous in scale yet warm and inviting from the moment you walk in. At the heart of the home is the remodeled kitchen, featuring custom cabinetry, granite countertops, a striking matte porcelain waterfall island, professional-style appliances, a built-in refrigerator, wine refrigerator, and spacious walk-in pantry. Open to the main living spaces, the kitchen also connects directly to a private courtyard, creating a seamless indoor-outdoor flow and an intimate setting for morning coffee, alfresco dining, or an evening with friends. The main-level primary suite offers privacy and ease, with a beautifully updated bath and spacious dressing room. Upstairs, a loft, and versatile living spaces offer plenty of room for family and guests, home offices, hobbies, or quiet retreats. The backyard offers a peaceful setting to relax and unwind, with mature landscaping, raised garden beds, a welcoming patio, and beautiful sunset views.
