

MoveSmart Kingston Services & Utilities Moving Checklist

3–4 Weeks Before Moving Day

Start early to ensure everything is active when you take possession.

For Your Current Home

- Schedule cancellation or transfer of water & sewer
- Schedule cancellation or transfer of electricity
- Schedule cancellation or transfer of natural gas
- Confirm end date for water heater or equipment rentals
- Confirm garbage & recycling service end date
- Cancel or transfer TV & internet services
- Update home insurance for sale or move-out date

For Your New Home

Use the sections below to confirm everything is set up at your new address.

Utilities & Essential Services

Double-check these key services before moving day.

- Water & sewer service confirmed
- Electricity account active
- Natural gas account active
- Meter readings scheduled or documented (if required)
- Equipment rentals transferred or set up

Garbage, Recycling & Mail

Small details that make a big difference in your first week.

- Garbage and recycling collection day confirmed
- Bins located or ordered (if required)
- Mailbox location confirmed
- Mailbox keys arranged (if applicable)
- Mail forwarding set up

Connectivity & Comfort

Avoid moving into a disconnected home.

- Internet service scheduled or active
- TV service scheduled or active
- Installation appointments confirmed (if required)

Insurance & Final Checks

These steps are essential for a smooth closing.

- Home insurance confirmed for possession day
- Insurance details provided to lawyer (buyers)
- Insurance updated or cancelled after possession (sellers)
- Realtor confirmed all service responsibilities

Before Closing Day

A final review to ensure nothing is missed.

- All utilities active as of possession day
- All cancellations scheduled for old address
- Confirmation emails or account numbers saved
- Final walk-through scheduled
