

Fireside Builder Market Brief

October 2026 · Cochrane · Sales Oct 20, 2025 – Oct 19, 2026 (12 months); active listings as of Oct 19, 2026

THREE THINGS BUILDERS SHOULD KNOW THIS MONTH

- **Supply is high.** Fireside has about **5.0 months of supply** (29 active listings against 69 sales in 12 months), compared with just under 4 for Calgary overall (CREB®, Sept 2026). Buyers have choice, so price and presentation decide who sells.
- **Resale is the real competition for detached – front garage product.** Resale homes sold in a median **33 days**; new homes took **56 days**. Resale also sold at a higher price per sq ft.
- **Townhome / row is in short supply.** 16 sold in the past year and only 3 are listed now, about **2.2 months of supply**.

*Fireside figures are TNT's medians from Pillar 9™ MLS® sales. CREB® benchmark prices use the MLS® Home Price Index and are a different measure. Don't compare them as like for like. Fireside is outside Calgary; city figures are shown as the reference market most buyers also shop.

What this means for builders

PRICING

New detached – front garage specs are asking about **\$305/sq ft**, in line with the **\$307/sq ft** new homes have sold for. Pricing is not the main obstacle here; presentation and incentives decide which spec sells first.

RESALE COMPETITION

Resale detached – front garage homes are selling in about 33 days against 56 for new. Show buyers what new adds: warranty, energy efficiency, GST rebate eligibility for first-time buyers, and finishes they can still choose.

PRODUCT

Townhome / row is the tightest product. 16 sold in 12 months with 3 listed now (2.2 months of supply). If your plans include townhome product, now is a good time to bring one to market.

SEMI-DETACHED / DUPLEX SUPPLY

Semi-detached / duplex has **7.6 months of supply**: 14 listed against 22 sales in a year. Specs in this product need a sharper price or a stronger incentive to stand out.

TIMING

Quarterly sales over the past year ran 12 → 26 → 18 → 13. Winter is the slowest stretch; specs finishing over the winter should be listed and photographed before possession so they're ready for the spring market.

Your builder specialist

Cam Johnson founded and ran a construction company working on building and land development projects before he moved into real estate. He looks at a spec the way a builder does: the product, the lot, what it costs to carry and what it will take to move it. That's why this brief is built around the numbers builders use, not the ones buyers see. Cam works one-on-one with builders on spec pricing, MLS® marketing, showings and weekly feedback, and our team can sell a move-up buyer's current home on a coordinated timeline so their new-home purchase doesn't stall.
