

Glacier Ridge Builder Market Brief

October 2026 · NW Calgary · Sales Oct 20, 2025 – Oct 19, 2026 (12 months); active listings as of Oct 19, 2026

THREE THINGS BUILDERS SHOULD KNOW THIS MONTH

- **Supply is high.** Glacier Ridge has about **5.2 months of supply** (28 active listings against 65 sales in 12 months), compared with just under 4 for Calgary overall (CREB®, Sept 2026). Buyers have choice, so price and presentation decide who sells.
- **Specs are asking more than new homes have sold for.** Active new semi-detached / duplex homes ask a median of about **\$399/sq ft**. New homes in that product **sold** at about **\$326/sq ft** over the past year.
- **Resale is the real competition for detached – laned product.** Resale homes sold in a median **33 days**; new homes took **54 days**. Resale also sold at a higher price per sq ft.

What this means for builders

PRICING

Price new semi-detached / duplex specs closer to the **\$326/sq ft** new homes have actually sold for, not today's \$399 asking level. 3 specs in this product are competing with each other and with resale.

RESALE COMPETITION

Resale detached – laned homes are selling in about 33 days against 54 for new. Show buyers what new adds: warranty, energy efficiency, GST rebate eligibility for first-time buyers, and finishes they can still choose.

PRODUCT

Apartment condo is the tightest product. 7 sold in 12 months with none listed now. If your plans include apartment condo product, now is a good time to bring one to market.

DETACHED – LANED SUPPLY

Detached – laned has **6.7 months of supply**: 10 listed against 18 sales in a year. Specs in this product need a sharper price, a finished basement or a stronger incentive to stand out.

THE \$600K–\$699K BAND

The \$600K–\$699K band has **10 months of supply**: 13 homes for sale against 16 sales in a year. Specs priced here compete hardest; price toward the band below or add value buyers can see.

Your builder specialist

Cam Johnson founded and ran a construction company working on building and land development projects before he moved into real estate. He looks at a spec the way a builder does: the product, the lot, what it costs to carry and what it will take to move it. That's why this brief is built around the numbers builders use, not the ones buyers see. Cam works one-on-one with builders on spec pricing, MLS® marketing, showings and weekly feedback, and our team can sell a move-up buyer's current home on a coordinated timeline so their new-home purchase doesn't stall.
