

Wentworth / West Springs Builder Market Brief

October 2026 · W Calgary · Sales Oct 20, 2025 – Oct 19, 2026 (12 months); active listings as of Oct 19, 2026

THREE THINGS BUILDERS SHOULD KNOW THIS MONTH

- **Supply is balanced.** Wentworth / West Springs has about **4.4 months of supply** (35 active listings against 96 sales in 12 months), compared with just under 4 for Calgary overall (CREB®, Sept 2026). Neither buyers nor sellers have the upper hand; pricing to the market matters.
- **Specs are asking more than new homes have sold for.** Active new townhome / row homes ask a median of about **\$417/sq ft**. New homes in that product **sold** at about **\$395/sq ft** over the past year.
- **Resale is the real competition for detached – front garage product.** Resale homes sold in a median **16 days**; new homes took **38 days**. Resale also sold at a higher price per sq ft.

What this means for builders

PRICING

Price new townhome / row specs closer to the **\$395/sq ft** new homes have actually sold for, not today's \$417 asking level. 5 specs in this product are competing with each other and with resale.

RESALE COMPETITION

Resale detached – front garage homes are selling in about 16 days against 38 for new. Show buyers what new adds: warranty, energy efficiency, GST rebate eligibility for first-time buyers, and finishes they can still choose.

PRODUCT

Detached – front garage is the tightest product. 40 sold in 12 months with 2 listed now (0.6 months of supply). If your plans include detached product, now is a good time to bring one to market.

APARTMENT CONDO SUPPLY

Apartment condo has **7.9 months of supply**: 23 listed against 35 sales in a year. Specs in this product need a sharper price or a stronger incentive to stand out.

TIMING

Quarterly sales over the past year ran 23 → 26 → 29 → 18. Winter is the slowest stretch; specs finishing over the winter should be listed and photographed before possession so they're ready for the spring market.

Your builder specialist

Cam Johnson founded and ran a construction company working on building and land development projects before he moved into real estate. He looks at a spec the way a builder does: the product, the lot, what it costs to carry and what it will take to move it. That's why this brief is built around the numbers builders use, not the ones buyers see. Cam works one-on-one with builders on spec pricing, MLS® marketing, showings and weekly feedback, and our team can sell a move-up buyer's current home on a coordinated timeline so their new-home purchase doesn't stall.
