What this means for builders

PRICING

Price new detached – front garage specs closer to the **$315/sq ft** new homes have actually sold for, not today's $329 asking level. 11 specs in this product are competing with each other and with resale.

RESALE COMPETITION

Resale semi-detached / duplex homes are selling in about 61 days against 107 for new. Show buyers what new adds: warranty, energy efficiency, GST rebate eligibility for first-time buyers, and finishes they can still choose.

PRODUCT

Townhome / row is the tightest product. 7 sold in 12 months with none listed now. If your plans include townhome product, now is a good time to bring one to market.

DETACHED – FRONT GARAGE SUPPLY

Detached – front garage has **13.8 months of supply**: 15 listed against 13 sales in a year. Specs in this product need a sharper price, a finished basement or a stronger incentive to stand out.

THE $800K+ BAND

The $800K+ band has **26 months of supply**: 13 homes for sale against 6 sales in a year. Specs priced here compete hardest; price toward the band below or add value buyers can see.

Your builder specialist

Cam Johnson founded and ran a construction company working on building and land development projects before he moved into real estate. He looks at a spec the way a builder does: the product, the lot, what it costs to carry and what it will take to move it. That's why this brief is built around the numbers builders use, not the ones buyers see. Cam works one-on-one with builders on spec pricing, MLS® marketing, showings and weekly feedback, and our team can sell a move-up buyer's current home on a coordinated timeline so their new-home purchase doesn't stall.
